Commissioner of Patents

REQUIREMENT FOR INFORMATION PURSUANT TO 35 USC 1.105

Applicant's Response dated 4/16/01 in paper no. 37 is hereby acknowledged.

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application:

Provide:

- 1. the serial number AND a copy of Applicant's or Assignees' pending claims which are reasonably related to the presently claimed subject matter; AND
- 2. the PCT publication number (e.g. WO number) of Applicant's or Assignee's published PCT applications designating the United States AND a copy of the PCT claims that are reasonably related to the presently claimed subject matter.

This is necessary for examination to proceed for any one of the following reasons:

- a. The sheer number of filed applications attributed to the present applicant and/or assignee; and the
- b. Inability of the Examiner to access these applications due to the status and/or location of these prospectively relevant applications;
- c. In order to permit a full response to applicant's amendment and arguments contained therein;
- d. In order to expedite the prosecution of the present application.

The fee and certification requirements of 37 C.F.R. Section 1.97 are waived for those document(s) submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 CFR Section 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirements of 37 CFR 1.97.

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot readily be obtained will be accepted as a complete response to the requirement for that item.

This requirement is subject to the provisions of 37 CFR Sections 1.134, 1.135 and 1.136 and has a shortened statutory period of two (2) months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

NOTE: for future correspondences, the location of the present application is ART UNIT 1639
